

Certificate of analysis

Product identification	PolyAqual™-OS2
Batch No.	AEM2002B02
Manufacturing Date	15 February 2019

Quality Control Data

Items	Specifications	Results	Methods
Appearance	Thick gel	Conform	Visual
Colour	Amber	Conform	Visual
Water Content (%)	1.00 max.	0.20	Ph. Eur. 2008:20512
Active Substance (%)	99.00 - 99.99	99.80	(100 – Water Content)

Storage

In original sealed containers, in a cool and dry place, protected from light. During storage, turbidities or separation may occur which, if necessary, can be reversed by stirring. Preferably the content of complete containers should be processed.

Shelf Life

5 years, stored unopened in original containers. Once opened the shelf life is limited by temperature, light and exposure to air.
